

DragonWear®

AR & FR WORK WEAR

BIG EASY™ TOOL BACKPACK

Designed to complement our durable line of FR and arc-rated workwear, DragonWear® has launched a brand-new tool backpack, the Big Easy™. This heavy-duty tool backpack gives optimal organization and easy access to gear. The high Denier count and ballistic pattern of the material provide a sturdy, abrasion-resistant surface that can withstand tough work environments.

FEATURES

- Main compartment is easily accessed by the three-quarter zip around for uncomplicated front-loading
- Made with 1680 Denier Ballistic Polyester and finished with a waterproof coating
- Multiple daisy chains for storing gear and rope lash-on
- Main additional exterior pocket with added grommet for drainage
- Roomy side pockets with water-resistant reverse coil zippers
- Heavy duty interior mesh pocket with velcro closure for carrying climbing gear, fall protection and ropes
- 3/8" foam panel for bag shape support and cushioning
- Waist belt sleeve for optional hip belt (please note: hip belt must be ordered separately)
- **Bag Weight: 4.7 lbs**
