AR & FR WORK WEAR

HI-VIS NECK GAITER

We extended our neck gaiter line with two new colors - Hi-Vis Yellow and Hi-Vis Orange. Block against the harshest of winter conditions while staying warm with our new fleece gaiters and practice workplace social distancing.

FEATURES

- Inherently fire and arc resistant
- Breathable and wind-resistant neck gaiter that provides superior winter warmth
- Folded down keeps the neck warm, extend to cover face
- Moisture-wicking blend of Hydrophobic and Hydrophilic fibers
- Knit fleece using a soft velour fabric for the front and back of the neck gaiter for comfortable fit
- Made using hi-vis yellow or orange fabric with hi-vis stitching
- Durable wash and wear performance
- Wash-fading resistant
- Two piece construction on the back of the neck gaiter
- Excellent facewear for workplace social distancing
- Inherent Blend FR Fabric 12oz/sq yard
