AR & FR WORK WEAR

YUKON™ NECK GAITER

Flat stitch seam in the middle of the gaiter allows you to fold it up or down to adjust to changing conditions. Provides lightweight, breathable, wind-resistant, water-repellent warmth that's fire resistant. The permanent protection won't melt, drip, or support combustion in the air. It cannot be washed out or worn away.

FEATURES

- Inherently fire and arc resistant
- Breathable, 2x more wind resistant
- Folded down keeps the neck warm, extend to cover face
- Single layer fleece construction with flat-lock seams
- Durable wash and wear performance
- UV fade resistant
- Inherent Tri-Blend Super Fleece Fabric 12.7 oz/sq yard
