

**TRUE NORTH****TOUGH TOOLS FOR TOUGH JOBS****TRUE NORTH® WILDLAND PANT PLUS - WOMEN'S**

Introducing our NFPA 1977 certified women's wildland pants created by our women-led design team. These pants are engineered for a lightweight and comfortable fit while providing breathable and moisture management properties.

**PART NO. 289260-0XXX**

**FEATURES**

- Inherently flame-resistant
- Tru-Fit™ micro-adjustable waist band for custom fit
- Designed to fit the natural waistline to avoid fire belt placement and stacked irritation
- Tailored to have extra room in the hip and thigh areas for easy movement
- Extra large gusseted cargo pockets with hook and loop closure
- Multiple pockets, including slash-style front pockets and large back pockets with flaps and hook and loop closures
- Cargo pockets are raised higher on the leg to allow for bending or stepping and to avoid chafing on the calf
- Fully adjustable hook and loop ankle straps keep dirt and embers out to avoid steam burns
- Heavy-duty bar tacks at stress points for rugged wear
- Self-locking full metal zipper
- Well-tailored yet roomy enough for easy movement
- Lightweight, breathable fabric for optimal moisture management
- **Material:** Tecsafe® 7.0 oz. FR Fabric

**SIZE:** WAIST XS - 2XL; INSEAM 30" & 34" | **COLOR:**  Spruce Green

**NFPA 1977**
