

## CHAINSAW BAR COVER

- Specifically designed to allow for a chainsaw to be safely and comfortably over a shoulder
- Cover can be configured to hang from a pack with an end D-ring
- Constructed with double-thickness 1000D Cordura™ Nylon for durability and weather-resistance
- Leather straps protect the back of the neck from power head and dog spikes
- Padded with 1/8" closed cell foam providing additional protection from chainsaw chain.
